Gentlemen:-

Yours of the 6th quoting $2.50 per M for your Coin envelopes duly received. Please mail me at my Providence Office 1M 1¼ inches square. Check for $2.75 enclosed to cover postage; excess can be returned with envelopes in stamps.

No, I do not collect coins. I am simply a plain humdrum envelope man who chanced to find a party looking for an envelope to hold coins and had been trying for two weeks to find where they could be found. Thank you for accommodating me.

Yours truly,

O. P. Clarke
